Welcome

It has been my honor to join Governor Brian Kemp as he signs many new and important bills into law. The outcome of our 2022 legislative session will benefit families for generations to come. We are blessed to live in Georgia!

This Sunday is Mother's Day! I wish all the Moms a wonderful and much deserved day of rest and appreciation. Specifically, I want to thank my wife Kari, my mother, stepmother, mother-in-law, and all the special Moms in our family.
