

## January 2025 Newsletter

On January 13th, I will be officially sworn back into office at the Georgia Capitol. It is an incredible honor to place my hand on the Bible and recite my oath. I will always work tirelessly to serve and support my district, state and nation. We have a terrific year ahead, and I hope you join me with optimism and tenacity to serve others.

The Albers family enjoyed a joyous holiday season. As our boys are now adults, we try to focus our time on posterity and building new lifelong memories. Our time on Earth is short, and I do my best to treasure each day. A very long time ago, someone shared with me this short poem, which I will now pass along to you: "Yesterday is history, tomorrow is a mystery, that is why we call today the present which is a gift from God".

### New Legislative Biennial

This is a picture of my first swearing in 2011. I am proud of what we have accomplished and remain focused on the important work ahead.

"I do hereby solemnly swear that I will support the Constitution of this state and of the United States and, on all questions and measures which may come before me, I will so conduct myself, as will, in my judgment, be most conducive to the interests and prosperity of this state."

### Priorities

I will be working on many important initiatives this coming year with my colleagues focusing on including Artificial Intelligence, Public Safety, supporting small businesses, reducing the size of government and providing phenomenal constituent services.

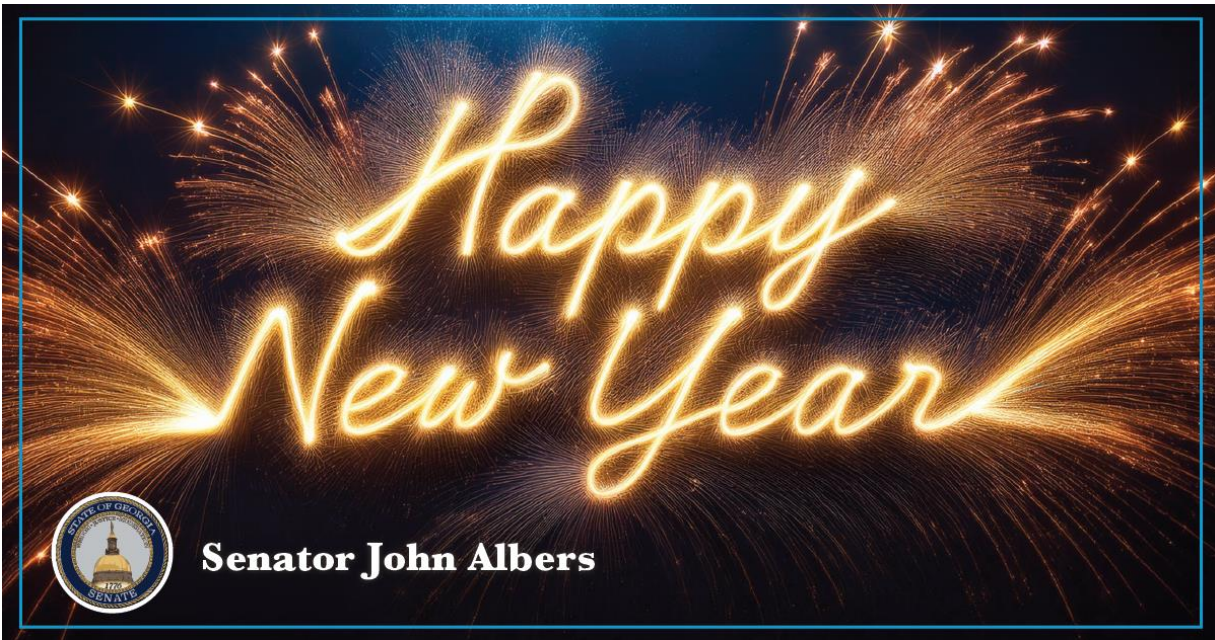

If we can be of assistance, please reach out to Mr. William Spencer in my office at: (404)463-8055 or [william.spencer@senate.ga.gov](mailto:william.spencer@senate.ga.gov).

## **A Balanced Budget**

In Georgia, we are mandated to have a balanced budget, and we accomplish this every year. We are considered to be one of the most fiscally responsible states, and we reflect this with our stewardship of your hard earned dollars. Aside from a AAA bond rating, we are also lowering taxes, providing tax refunds and meeting all of our obligations. Conservative budgeting has kept Georgia in great shape!
